

Welcome

Are you focused solely on patient room casework? We streamlined the process by offering **Camellia™** – a product line by AMCASE® that does just that; meet the needs that are specific to patient room areas while offering a variety of finishes to customize your living spaces.

Features / Options

- Thermofused cabinet bodies (13 finishes)
- 3/4" cabinet panel thickness
- 3 mm edgeband
- HPL or solid surface tops
- Metal to metal, cam & pin construction
- Replaceable components
- 7-year warranty

Camellia™
