542 - Midnight Melange
CABINET + WORK SURFACE + EDGE BAND

TFM / HPL / PVC - ColorMatch Finishes

**Description:**
These are our standard finishes available in TFM (Thermally Fused Melamine) and HPL (High Pressure Laminate) with matching PVC edgeband. Choose from standard solid colors, micro patterns, or woodgrain finishes. You decide whether to use the same finish throughout your design or mix and match finishes for that perfect look.

**Same Color Throughout or Mix & Match**

1. CABINET + 2. WORK SURFACE + 3. EDGE BAND

*white and black are not an exact match between cabinet and work surface color.

WORK SURFACE FINISHES
HPL - Standard Patterns

Description:
These are our standard HPL (High Pressure Laminate) patterns for work surfaces. Two edge treatment options are available: 3mm PVC edge for durability, or a sanitary edge for matching your pattern work surface finish. Choose from our standard patterns above or specify your own finish.

Same Color Throughout
1. WORK SURFACE + SANITARY EDGE
   *Choose a sanitary edge pattern from the finishes above.

Mix & Match
2. WORK SURFACE + 3MM PVC EDGE
   *Choose a PVC edge color from the TFM / HPL / EDGEBAND FINISHES below.

Description:
Our standard solid surface finishes for work surfaces are shown above. Solid surface is manufactured with acrylic resins, minerals, and coloring agents to give a variety of available finishes. Its non-porous surface does not support the growth of mold or mildew and provides stain resistant properties. Solid surface can be joined for seamless surfaces and is easily cleaned, repaired, and maintained.

Applications:
breakroom, office, mailroom, exam, procedure, nurse station, pharmacy

Key Points:
• waterproof
• seamless
• stain resistant
• repairable

SOLID SURFACE FINISHES

500 - Designer White
505 - Milk Glass Spectra
506 - Avalanche Melange
507 - Soothing Grey
510 - Cashmere Mirage
513 - Brooklyn Concrete
515 - Khaki Brown
517 - Hot Stone
542 - Midnight Melange
